

TEMPERANCE
HOUSE

WRAXALL • BRISTOL

Space that inspires

Set within a beautifully restored Grade II listed building, Temperance House offers more than just workspace, it provides an environment designed to elevate thinking, collaboration and productivity.

From elegant lounges to fully equipped meeting rooms, every space has been carefully curated to balance heritage character with modern functionality, creating a calm, professional setting for businesses, teams and clients.

*“Minutes from the city,
miles from the ordinary.”*

**Arrive
and connect**

Nestled in the North Somerset hills, Temperance House offers a sense of escape without feeling remote.

Just a short distance from Bristol, major transport links and key business hubs, it's location offers the perfect balance between accessibility and escape.

With easy access to Bristol and the surrounding region, close to Bristol Airport and rail connections, and featuring on-site guest parking, Temperance House is effortlessly connected and designed to inspire clarity and focus.

Light, space and clarity

Natural light, refined interiors and quiet, thoughtfully designed rooms create an environment that encourages focus and meaningful conversation.

From intimate meeting rooms to larger business suites, each space is designed to support productivity, creativity and professional presentation.
