

Volunteer for Us

Our services rely upon the work of our hard-working volunteers as drivers and passenger assistants who receive free MiDAS training in order to fulfill their roles.

The management of the organisation is underpinned by volunteer trustees.

We are currently expanding our volunteer team so if you have some spare time and would be interested in supporting us to reach more people in the local community, please get in touch.

NAILSEA and DISTRICT COMMUNITY TRANSPORT

Nailsea and District Community Transport was founded in 1994 to provide a subsidised community based transport service for those unable to easily access public transport. We are a not-for-profit organisation supported by North Somerset Council, Nailsea, Portishead and Clevedon Town Councils and Backwell and Long Ashton Parish Councils.

We offer a door to door service for Portishead, Clevedon, Nailsea, Long Ashton, Backwell, Winford and other villages in the northeast part of North Somerset.

Trips

We offer around 100 trips every year to local attractions, outlet shopping malls, country pubs, tea rooms, museums and garden centres.

We're always adding new places and destinations based on feedback from our members.

Dial-A-Rides

We provide transport for those who need assistance in getting to hospital, GP, dental and opticians appointments. We also provide for visits to Care Homes, social clubs, day care and similar requirements.

Hires

Our minibuses are also available to hire (with a driver) for care homes, social clubs and other community groups planning one-off events.

Hospital Car Service

We also offer a hospital car service for all medical appointments for which membership is not required, but this is only bookable through your GP surgery.

Membership

Membership allows you to access all of our services.

Group membership is also available for organisations. Please contact the office for details

Weekly Shopping

We provide weekly door to door shopping trips from taking you to the major shops in Portishead, Clevedon or Nailsea. We also provide one off shopping trips to Malls and Outlet Shopping locations.

We pick you up at an agreed time every week and take you to the local shops. Of course you don't have to shop and some people attend appointments or make time for a coffee and catch up with friends. Our drivers will even help carry your shopping to your door if required!
